MISSISSIPPI COOP.  
EXTENSION SERVICE

**WHERE  
TO  
ORDER  
PLANS**

Working drawings may be obtained through the Extension Agricultural Engineer at many of the State Agricultural Colleges. A nominal charge to cover printing and mailing is usually made. Where the Extension Engineer cannot furnish the plans, inquiries may be directed to the U. S. Department of Agriculture, Division of Farm Buildings and Rural Housing, Beltsville, Md. The Department does not furnish plans directly, but will refer any inquiries received to the nearest State handling the requested plan.
